Ref: Your application no. SIA/MH/IND3/75024/2019

This has reference to your communication on the above mentioned subject. You have obtained Environmental Clearance EC dated 27.12.2011 revalidated on 26.02.2019. Now, you have applied for amendment in Environmental Clearance. Your proposal was considered in 249<sup>th</sup> meeting (Day-2) of SEIAA held on 26<sup>th</sup> August, 2022. PP submitted an undertaking that no manufacturing activity or allied activities will be carried out, the additional plot will be utilised only for green belt development. If manufacturing activity or allied activities will be carried out in new plot, then it will be breach of EC.

SEIAA after deliberation decided to add Plot No. 121/2 having an area of 7070 sqm in earlier EC dated 27.12.2011. SEIAA further reiterates that the newly added plot will only be used for development of thick green belt only.
